The chart displays the monthly evolution of the number of deaths from COVID-19 in Spain. The x-axis represents time in months, from Month 1 to Month 41. The y-axis represents the number of deaths, with a scale from 0 to 100. The legend indicates the following years: 2008 (red), 2010 (orange), 2011 (light green), 2012 (green), 2014 (cyan), 2015 (blue), 2016 (purple), and 2017 (pink). The 2008 line shows a significant peak in early 2020, reaching nearly 100 deaths, followed by a sharp decline and then a gradual increase. The other lines remain relatively flat and low throughout the period.
